employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL**

### **Cancellation, Withdrawal and Refund Policy**

The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure. All fees are identified in the catalog and on the contract.

**Student's Right To Cancel:** The student has the right to cancel the enrollment agreement and obtain a refund of charges paid, less the amount of the registration fee, through attendance at the first class session (**first day of class**), or the seventh day after enrollment (**seven calendar days from the date when the enrollment agreement was signed**), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Director. A withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to, a student's lack of attendance.

**Refund Policy: 100% Total Refund** within the 1<sup>st</sup> to 7<sup>th</sup> day of the stated cancellation period, less the amount of the registration fee. After the cancellation period, the institution provides a pro rata refund of all funds paid for tuition charges to students who have completed 60% percent or less of the period of attendance, based on scheduled hours. Once more than 60% percent of the enrollment period in the entire course has elapsed (**including absences**), there will be no refund to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

A registration fee of \$100.00 **is a non-refundable item**. Equipment, books, supplies, tools, uniforms, kits and any other items **issued and received by the student** would **not** be returnable. **Once received** by the student it will belong to the student and will represent a liability to the student.

If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days from when the withdrawal date was determined. See Hypothetical Refund below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

**You do not cancel the contract by just not attending classes or telephoning the school, you must cancel in writing.** The school through monitoring attendance at least every thirty (30) days determines unofficial withdrawals.

**Hypothetical refund example according to the state pro rata policy.** Assume that a student enrolls in the Cosmetology course, upon enrollment in a 1,600-hour course, pays \$6,800.00 for tuition, \$100.00 for Registration

fees, and \$500.00, (documented cost to the Institution) for equipment as specified in the enrollment agreement and withdraws after 600 hours into the course (this includes class days not attended by the student) without returning the equipment (due to sanitary reasons) he/she received. The pro rata refund to the student would be \$4,250.00 based on the calculation stated below.

Tuition	\$6,800.00	Tuition cost	\$6,800.00	Paid for instruction	\$6,800.00
Registration fee (not refundable)	100.00	Hours in the course	1,600	Hours attended	600
Cost of equipment (non refundable)	500.00	Hourly charge	4.25	Tuition owed 600 x \$4.25	\$2,550.00
Total Amount Paid	\$7,400.00			Refund due	\$4,250.00

**Determination of cancellation or withdrawal from Institution will be on the earliest of:**

1. The institution does not accept an applicant. The applicant shall be entitled to a refund of all monies paid, less the registration fee.
2. A student or legal guardian cancels the enrollment in writing within the first class session (first day of class), or the seventh day after enrollment (seven calendar days from the date when the enrollment agreement was signed), whichever is later.
3. The date a student notifies in writing to the Director of their intent to withdraw.
4. The date the student failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.
5. The date the Institution terminates the student’s enrollment due to academic failure or for violation of its rules and policies stated in the catalog and is expelled.
6. The date the student fails to attend classes for 21 consecutive days and fails to inform the Institution that they are not withdrawing.
7. If a course/ program is canceled subsequent to a student’s enrollment and before instruction in the course/program has begun, the Institution shall at its option:
  1. Provide a full refund of all monies paid; or
  2. Provide completion of the course at a later time.
8. If the Institution cancels a course/program and ceases to offer instruction after students have enrolled and instruction and the course has begun, the Institution shall at its option:
  1. Provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school; or
  2. Provide completion of the course/program; or

3. Participate in a Teach-Out Agreement; or
  4. Provide a full refund of all monies paid.
9. If the institution closes permanently and ceases to offer instruction after students have enrolled, and instruction had begun, the institution must make arrangements for students. The Institution has at its option:
1. Provide a pro rata refund; or
  2. Participate in a Teach-Out Agreement.

**Return Policy for Kits and Textbooks:** When a student purchases a cosmetology, barbering, manicuring, or esthetician kit, the sale is final. There are no refunds on kits and textbooks.

**Return of Title IV:** Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If any refunds are due based on the Return of Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG, 10) Other. This order would apply in accordance to the aid program available at the institution.
